2.01 Developer's Right to Annex. Developer may, in its sole discretion, at any time and from time to time, annex or cause Declarant to annex to the Property and submit to the terms, conditions and provisions of this Declaration, in the manner hereinafter provided, all or any portion of the Additional Property, provided that no more than twenty-one (21) lots shall be made subject to this Declaration by Developer. Any additional Property so annexed shall be developed substantially in accordance with the final plan approved by the Village of Frankfort as the same may be revised or modified from time to time. Notwithstanding anything to the contrary herein, Developer shall not be obligated to annex to this Declaration any portion of the Additional Property, regardless of how or by whom improved.

2.02 Supplementary Declaration. The annexation of any part of the Additional Property to this Declaration and to the Property shall be made by filing of record a Supplementary Declaration describing the portion of the Additional Property to be so annexed, provided that if the record owner thereof is not the Declarant executing this Declaration, such Supplementary Declaration must be approved in writing by Developer. Immediately upon such recording, that portion of the Additional Property annexed as provided herein shall be subject to the terms, covenants, conditions, easements and restrictions of this Declaration and the jurisdiction of the Association with the same force and effect as though such portion was a part of the Existing Property when this Declaration was recorded.

2.03 Additional Provisions and Modifications. **ARTICLE 3**  
**MEMBERSHIP AND BOARD OF DIRECTORS**

3.01 Membership. Every owner of a Unit shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Unit. Ownership of a Unit shall be the sole qualification for membership.

3.02 Voting Rights. The Association shall have one class of membership and each member shall have one vote for each Unit such member owns, provided that in no event shall more than one (1) vote be cast with respect to any Unit. If more than one person is the record owner of any Unit, or if an Owner is a trustee, corporation, partnership or other legal entity, the vote for such Unit shall be exercised as such Owner of that Unit shall designate. Such designation shall be made in writing to the Board (as defined herein) or in such other manner as may be provided in the by-laws of the Association attached hereto as Exhibit "C" (the "By-Laws"). Developer shall designate the person who shall exercise the voting rights with respect to the Units owned by Declarant.

3.03 Board of Directors. The Association shall be governed by a Board of Directors (the "Board") comprised of not less than three (3) persons, duly appointed or elected as provided herein and in the By-laws; provided, however, that the number of persons comprising the Board may be increased, in the discretion of Developer, by written notice to the Association, at the time or times that any part of the Additional Property is annexed; provided, further, that in no event shall the number of persons comprising the Board exceed five (5). Except for directors appointed by Developer, all directors shall be members of the Association. The Board shall govern the Association in the exercise of the rights of the Association and performance of the Association's obligations in accordance with the terms and provisions of this Declaration and the By-laws, as amended from time to time. Prior to the appointment of the first Board, the Developer shall exercise all rights, powers and privileges and act in the capacity of the Board and may perform all its functions as set forth in this Declaration and in the By-laws.

3.04 Appointment of Directors by Developer. Notwithstanding anything in this Declaration or the By-laws to the contrary, the first and each subsequent Board shall consist of, and vacancies on the Board shall be filled by, such persons as Developer shall from time to time appoint, who may but need not be members of the Association, until the first to occur of any one of the following events: (a) the expiration of ninety (90) days after the sale and transfer of title by Declarant of seventy-five (75%) percent of the total number of units, including those to be built on the additional property, if any (b) five (5) years from the recording of this declaration (c)

D98823A2.BF

Developer, by written notice to the Association, voluntarily elects to release its right to appoint all members of the Board. Without the prior written consent of Developer, neither the Articles of Incorporation of the Association nor the By-laws shall be amended, modified or changed to in any way diminish the authority of the Board while the Developer has the right to appoint any members of the Board. Developer may, from time to time, by written notice to the Association, elect to relinquish its right to appoint any one or more directors, and continue to exercise its right to appoint the remaining members of the Board for the period hereinabove specified. All directors not appointed by Developer shall be elected as hereinafter provided.

3.05 Election of Directors by Members. Upon termination of Developer's right to appoint any or all of the directors as provided in the preceding paragraph, those directors not subject to appointment by Developer shall be elected by the members of the Association at a meeting called by the President of the Association, by Developer, or by any three (3) members of the Association. Such meeting shall be called by notice sent in accordance with the By-laws.

3.06 Director and Officer Liability. Neither the directors nor the officers of the Association shall be personally liable to the Owners or the Association for any mistake of judgment or for any other acts or omissions of any nature whatsoever while acting in the capacity of such directors or officers, except for any acts or omissions found by a court to constitute gross negligence or fraud. The Association shall indemnify and hold harmless the directors and officers, their heirs and legal representatives, against all contractual and other liabilities to third parties arising out of the contracts made by or other acts of the directors and officers of behalf of the Owners or the Association or arising out of their status as directors or officers, unless any such contract or act shall have been made fraudulently or with gross negligence. The foregoing indemnification shall include indemnification against all costs and expenses (including, but not limited to, attorneys fees, amounts of judgments paid and amounts paid in settlement) actually and reasonably incurred in connection with the defense of any claim, action, suit or proceeding, whether civil, criminal, administrative or other, in which any such director or officer may be involved by virtue of being or having been such director or officer; provided, however, that such indemnity shall not be operative with respect to (i) any matter as to which any such person shall have finally been adjudged in such action, suit or proceeding to be liable for gross negligence or fraud in the performance of his duties as such director or officer, or (ii) any matter settled or compromised, unless, in the opinion of independent counsel selected by or in a manner determined by the Board, there is not reasonable ground for such person being adjudged liable for gross negligence or fraud in the performance of his duties as such director or officer.

D98823A2.BF

3.07 Governing Law. Except as otherwise provided in this Declaration, the Association, its Board, the officers and members of the Association shall be governed by the Illinois general not for profit corporation act.

**ARTICLE 4  
EASEMENTS AND PROPERTY RIGHTS**

4.01 Easements of Use and Enjoyment. Declarant hereby grants a perpetual, non-exclusive easement, over and upon the Common Area for the benefit of the Property, and every Owner shall have a right and easement, of use and enjoyment and a right of access to and of pedestrian and vehicular ingress and egress on, over, across, in, upon and to the Common Area, and such right easement shall be appurtenant to and shall pass with title to every Unit, subject to the rights of Declarant and Developer reserved in this Declaration, and the rights of others granted in this Declaration and the following rights of the Association exercised in the manner provided in the By-laws:

a) To adopt rules and regulations governing the use, operation and maintenance of the Common Area.

b) To borrow money for the purpose of improving the Common Area and facilities located thereon and with respect to any recreational facilities comprising a part of the Common Area in aid thereof to mortgage that part of the Common Area, provided that the rights of any such mortgagee in and to the Common Area and facilities located thereon shall, in the event of default, be limited to a right, after taking possession of such properties, to charge admission and other fees for the use and enjoyment by the Owners of any recreational facilities that may be situated thereon until the mortgage debt is satisfied, whereupon the possession of such properties shall be returned to the Association and all rights of the Owners hereunder shall be fully restored. Notwithstanding the foregoing, no mortgage shall be placed upon the Common Area unless such mortgage is approved by the Board, by a majority of the members of the Association, other than Declarant, voting at a general or special meeting duly called and held in accordance with the By-laws, and by the First Mortgagees as provided in Section 7.01; provided that as long as Declarant owns one or more Units, Developer's written consent to any such mortgage shall also be required.

c) To dedicate or transfer all or any part of the Common Area, or any utility system thereon, to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members provided that as long as the Developer has the

R1999141467

D98823A2.BF

power to appoint any director of the Association, such instrument must also be signed by Developer.

d) To pay for, out of the assessment funds, all taxes and assessments and other liens and encumbrances which shall be properly assessed or charged against the Common Area.

#### 4.02 Easements of Access.

a) Every Owner is hereby granted and reserved a perpetual non-exclusive easement for the purpose of reasonable ingress and egress from his Unit to, through and from all public and private ways which adjoin the Property through, over and across the Access Area; provided, however, that no Owner may remove, relocate, or cause to be removed or relocated, any portion of the Access Area now or hereafter located upon his Unit.

b) The Association, Declarant, and Developer, and each of them, is hereby granted and reserved perpetual non-exclusive easements to, through, over and across the Property for the purposes of exercising the rights, performing the functions, and discharging the responsibilities, permitted or required to be performed or discharged by any of them pursuant to any provision of this Declaration.

4.03 Municipal Service Easements. Declarant hereby grants a perpetual non-exclusive easement to the Village of Frankfort over the Property to enforce all applicable laws, ordinances and regulations and for the purpose of providing police and fire protection and such other municipal services as the Association may request and the Village of Frankfort may agree to furnish.

4.04 Implied Easements. Declarant hereby acknowledges that, due to the length and complexity of this Declaration, certain omissions may have occurred in connection with the grants of various easements including, but not limited to, those for access, ingress and egress, use and enjoyment, utilities, light and air, support and maintenance. Declarant therefore hereby grants any easement omitted herein which easement is reasonably implied from and by the provisions and scheme of this Declaration and is reasonably necessary for the purpose of furthering the beneficial purposes and intentions of Declarant as expressed in this Declaration.

4.05 Encroachments. In the event that a) by reason of design, construction, location, repair, settlement, shifting or movement, any dwelling or other improvement as originally constructed by Developer on any Unit or upon the Common Area overhangs or otherwise encroaches or shall hereafter encroach upon any other Unit or upon the Common Area, or b) by

D98823A2.BF

reason of such design, construction, location, repair, settlement, shifting or movement it shall be necessary or advantageous to an Owner to use or occupy any portion of the Common Area for any reasonable use appurtenant thereto which will not unreasonably interfere with the use or enjoyment of the Common Area by other Owners, or c) by reason of the design or construction of utility, ventilation and exhaust systems, as originally constructed by Developer, any mains, pipes, ducts or conduits servicing any Unit or more than one Unit, encroach or shall hereafter encroach upon any part of any Unit, or the Common Area, then, in any such case, valid easements for the maintenance of such encroachment and for such use of the Common Area, together with the right to enter upon such other Unit or Common Area to maintain, repair and replace such encroachment are hereby established and shall exist for the benefit of such Unit or the Common Area, as the case may be, so long as such dwelling or other improvement shall remain standing; provided, however, that if any such dwelling or other improvement is partially or totally destroyed and thereafter repaired or rebuilt, the same encroachment may be re-established and the easements herein granted for the maintenance, repair and replacement thereof shall continue in force; provide further that in no event shall a valid easement for any encroachment or use of the Common Area be created in favor of any Owner if such encroachment or use is detrimental to or interferes with the reasonable use and enjoyment of the Common Area by other or if it occurred due to the willful conduct of any Owner.

4.06 Transfer of Common Area to Association. Declarant will convey to the Association and the Association shall accept the Common Area herein described and any additions thereto, together with such facilities and improvements as the Developer may elect to install thereon and subject to such easements as the Developer may cause to be placed thereon, and at such time or times as the Developer shall determine, provided that all Common Area shall be conveyed to the Association by the date upon which Developer shall cease to have the right to appoint one or more members of the Board. At the time of any such conveyance to the Association, the Association shall assume and agree to perform the obligations of Declarant, Developer and the Association under this Declaration with respect to the property so conveyed.

4.07 Agreement for Grant of Easements. In the event, at any time after the recording of this Declaration, Declarant or Developer shall deem it necessary to do so, Declarant may (i) reserve or grant easements for the benefit of the Existing Property and the Additional Property in, over, under, to and across the Property for the installation, construction and maintenance of any and all public and private utility conduits, wires, ducts, pipes, cables and other lines, and all associated equipment for the provision of utilities services for the Existing Property and the Additional Property, including without limitation, those for the transmission and distribution of water, electricity, gas telephone, sewage, drainage, cable or satellite television, and (ii) dedicate any portion of the Common Area to any public or quasi-public utility or to any governmental

D98823A2.BF

authority for the installation, construction and maintenance of any such utilities and for ingress and egress thereto. For so long as Declarant owns a Unit subject to the terms hereof, Developer shall have the right to connect to all utilities serving the Property.

4.08 Rights of Occupants. All persons who reside on a Unit shall have the same rights to use and enjoy the Common Area and all improvements situated thereon as the Owner of that Unit.

4.09 Easements to Run with the Land. All easements and rights described herein are easements appurtenant, running with the land, perpetually in full force and effect, and at all times shall inure to the benefit of and be binding upon the Declarant, its successors or assigns, and any Owner, purchaser, mortgagee or other person having an interest in the Existing Property, or any part or portion thereof. Reference in the respective deeds of conveyance or in any mortgage or trust deed or other evidence of obligation to the easements and rights described in this Article or in any other part of this Declaration shall be sufficient to create and reserve such easements and rights to the respective grantees, mortgagees, or trustees as fully and completely as though such easements and rights were recited fully and set forth in their entirety in such documents.

4.10 No Dedication to Public Use. Nothing contained in this Declaration shall be construed or be deemed to constitute a dedication, express or implied, of any part of the Property to or for any public use or purpose whatsoever.

4.11 Certain Rights Reserved to Developer. The right is reserved by Declarant for Developer, or its agents, to place and maintain on the Property all models, sales offices, advertising signs and banners and lighting in connection therewith, and other promotional facilities at such locations and in such forms as shall be determined by Developer. There is also reserved to Developer, its agents and prospective purchasers and tenants, the right of ingress, egress and transient parking in and through the Property. Declarant also reserves the right for Developer to maintain on the Property without charge (i) a general office for the purpose of exercising the development and management rights and (ii) appropriate permanent and transient parking facilities for the employees of Developer and of Developer's agents and for prospective purchasers of lots in the Property or Additional Property. Developer's aforesaid reserved rights shall exist at any time Developer is engaged in the sale or leasing of lots on the Property or Additional Property, and no charge shall be made with respect thereto. In connection therewith, Declarant hereby reserves for the benefit of Developer a non-exclusive easement to, through, over and across the Property for the purpose of exercising the rights reserved to Developer pursuant to this Declaration. Such rights of Developer shall continue until the sale or rental of all Units located on the Property and Additional Property unless Developer, by written notice to the

D98823A2.BF

Association, elects to terminate such rights prior to such date. All rights and easements created by this Declaration are subject and subordinate to the development rights of Developer, whether or not inconvenience to any Owner shall result therefrom; provided, however, that Developer shall not exercise any of such rights in a manner so as to prevent the exercise of the rights of use and enjoyment of the Common Area.

**ARTICLE 5**  
**OBLIGATIONS OF ASSOCIATION AND OWNERS WITH RESPECT TO**  
**MAINTENANCE AND ADMINISTRATION OF THE PROPERTY**

5.01 Association's Obligations. In addition to all other rights, powers and duties or the Association under applicable law or as otherwise set forth in this Declaration and in the By-Laws of the Association, the Association shall have the following rights, powers and duties with regard to the Common Area and Units respectively, the cost and expense of which shall be paid for by the Association from assessment funds:

a) Common Area. The Association shall maintain, repair, replace and manage the Common Area and all facilities and improvements thereon, and, without limiting the generality of the foregoing, provide for snow removal and scavenger services, maintain continuously in force comprehensive liability, hazard and other insurance, maintain all underground utilities located in the Common Area serving the Property (including water pipes, sanitary and storm sewer lines, telephone and electrical cables and gas mains) to the extent that the responsibility to maintain such utilities has not been assumed by any public utility agency, the Village of Frankfort Sanitary District, the Village of Frankfort, or other governmental authority or agency, or any Owner, pay all taxes, assessments and other liens and encumbrances which are assessed to or charged against the Common Area or other property owned by the Association, pay all sums due the Village of Frankfort for the enforcement of local laws and provide such other services for the Common Area as the Board deems to be in the best interests of the Association and its members.

b) Units. With respect to the Units and the improvements thereon, the Association shall provide for the following: all painting, staining, refinishing, maintenance, repair, replacement and tuckpointing of the exterior surfaces of the dwellings, including, without limiting the generality of the foregoing, all roofs, sidings, outer walls, shutters, but excluding all screens, doors and glass surfaces (which shall be the Owner's responsibility), except that the Association shall paint and stain the exterior surfaces of the outer doors; maintenance, repair and replacement of sidewalks (except snow removal); all lawn mowing (except fully enclosed rear yards or rear yards which have been made inaccessible by enclosures installed on adjacent

D98823A2.BF

Units); and such other services as the Board deems to be in the best interest of the Association and its members; provided, however, that the Association's obligation under this subparagraph with respect to sidewalks and exterior surfaces of dwellings shall be limited to maintenance, repair and replacement due to normal wear and tear.

5.02 Owner's Obligations. Each owner, at his sole cost and expense, shall maintain, repair and replace his Unit and the improvements thereon, keeping the same sightly and in good condition and repair, including, without limitation, the watering and replacement of shrubs, trees, grass and other landscaping, snow removal, window washing and repair, and the maintenance of all underground utilities serving his Unit, to the extent that the responsibility to maintain such utilities has not been assumed by any public utility agency, the Village of Frankfort, or other governmental authority or agency, or the Association. Each Owner shall be responsible for the cost of maintenance, repair and replacement of such exterior surfaces, walks and landscaping on his Unit resulting from causes other than normal wear and tear, including, without limitation, damage caused by acts of God or other hazards (whether or not covered by insurance) or by the negligence or willful or wanton conduct of the Owner or any other person (except that the Association shall be liable for any damage to a Unit or any improvements thereon caused by the negligence or willful, wanton or intentional acts of an employee, agent or independent contractor of the Association while acting for or on behalf of the Association). In the event any Owner shall fail to perform any of the foregoing obligations, the Association, in addition to all other remedies available to it hereunder or by law, and without waiving any of said alternate remedies, shall have the right (but not the obligation), through its employees and agents or through independent contractor's upon reasonable notice or, in the case of an emergency, without notice, to enter upon any Unit and, if required, into any dwelling, to repair and maintain the Unit and the improvements situated thereon. Each Owner, by acceptance of a deed for his Unit, hereby covenants and agrees to pay the Association the cost of such repairs and maintenance, upon demand, and the Association shall have a lien upon said Unit enforceable in the manner and to the extent herein set forth in this Declaration and the failure of such Owner to pay such costs shall carry with it the same consequences as the failure to pay any assessments levied hereunder when due, as herein provided. The Association shall be responsible for and shall repair any damage caused by it in the exercise of its rights hereunder.

5.03 Maintenance of the Common Area Prior to Conveyance to Association. Notwithstanding the retention by Declarant of title to all or any portion of the Property designated as Common Area, the Association shall pay or reimburse the Developer for all real estate taxes and all other costs and expenses arising out of or incident to the ownership, maintenance and repair of such portion of the Common Area that is available for use by the Owners to the same extent as such costs and expenses would be the obligation of the Association

D98823A2.BF

if it were the record owner thereof.

5.04 Repair and Reconstruction. In the event of damage to or destruction of any dwelling or other improvement installed by Developer on any Unit, the Owner or Owners from time to time of any such improvement covenant and agree that they will, within a reasonable time after such destruction, repair or rebuild the same in a substantial and workmanlike manner with materials comparable to those used in the original structure, and shall conform in all respects to the laws or ordinances regulating the construction of such structures in force at the time of such repair or reconstruction. The exterior of such structure, when rebuilt, shall be substantially the same as and of architectural design in conformance with the exterior of such structure immediately prior to such damage or destruction. If an Owner fails to make the necessary repairs or reconstruction within a reasonable time after such damage or destruction occurs, the Board may cause the same to be done and the cost thereof shall be charged to such Owner as his personal obligation and shall be a lien on his Unit.

5.05 Condemnation. In the case of a condemnation or taking by eminent domain (a "taking") by competent authority of any part of the Common Area, the Association shall, if necessary, restore the improvements in the remaining portion of the Common Area to conform as closely as possible to the general design, structure and materials used with respect to the improvements as they existed prior to the taking. Any proceeds or awards made to the Association in connection with any such taking shall be applied first to the cost of any restoration, with the balance to be used by the Association to carry out its obligations under this Declaration.

## ARTICLE 6 COVENANT FOR ASSESSMENTS

6.01 Creation of the Lien and Personal Obligation for Assessments. Each Owner of a Unit (excluding Declarant), by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, hereby covenants and agrees and shall be deemed to covenants and agree to pay to the Association, for each Unit owned by such Owner, all assessments and charges levied pursuant to this Declaration. Such assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge and a continuing lien upon the Unit against which such assessment is made. Each such assessment, together with such interest and costs, shall also be the continuing personal obligation of the person who was the Owner of such Unit at the time when such assessment fell due.

D98823A2.BF

6.02 Purpose of Assessments. The assessments levied by the Association shall be used for the purpose of promoting the recreation, health, safety and welfare of the members of the Association and, in particular, without limiting the foregoing, for maintenance, repair, replacement, improvement and additions of and to the Common Area and the improvements thereon, for all taxes, insurance, utilities, professional and other services, materials, supplies, equipment and other costs and expenses incident to the ownership of the Common Area and all facilities and improvements thereon, for certain maintenance, repair and replacement of portions of the Units and the exterior surfaces of certain improvements thereon, as hereinabove provided, and for otherwise carrying out the duties and obligations of the Board and of the Association as stated herein and in its Articles of Incorporation and By- laws.

6.03 Assessment Procedure - Annual Assessments.

a) Each year, on or before December 1, the Board shall prepare a budget for the Association for the ensuing calendar year which shall include estimated cash expenditures and reasonable amounts as a reserve for repairs to and replacement of the improvements on the Common Area and those portions of the Units for which the Association is responsible, and for such other contingencies as the Board may deem proper, and shall, on or before December 15, notify each Owner in writing of the amount of such estimate, with reasonable itemization thereof. The budget shall also take into account the estimated net available cash income for the year, if any, that may be received by the Association. On or before January 1 of the ensuing year, each Owner, jointly and severally, shall be personally liable for and obligated to pay the Board or as it may direct, one-twelfth (1/12) of the assessment made pursuant to this Section. On or before April 15 of each year following the initial meeting, the Board shall supply to all Owners an itemized accounting of actual expenses for the preceding calendar year actually incurred and paid, together with a tabulation of the amounts collected pursuant to the estimate provided, and showing the net amount over or short of the actual expenditures plus reserves. Any amount accumulated in excess of the amount required for actual expenses and reserves shall be credited to the next monthly installment due under the current year's estimate, until exhausted, and one-third (1/3) of any net shortage shall be added to the installments due in each of the succeeding three (3) months after rendering of the account. Such adjustment shall be allocated among the Units that were subject to assessment during the prior year in the proportion that the annual assessment against each Unit during the year bears to the annual assessment against all the Units during that year.

D98823A2.BF

b) If said annual assessments prove inadequate for any reason, including non-payment of any owner's assessment, the Board may, subject to the limitations on the use of capital reserves, charge the deficiency against existing reserves, or may levy a further assessment which shall be assessed equally against all Units subject to assessment. The Board shall serve notice of such further assessment on all Owners by a statement in writing showing the amount due and reasons therefor, and such further assessment shall become effective with the monthly installment which is due more than fifteen (15) days after delivery or mailing of such notice of further assessment. All Owners shall be personally liable for and obligated to pay their respective adjusted monthly assessment.

c) When the first Board elected hereunder takes office, it shall prepare a budget for the period commencing thirty (30) days after said election and ending on December 31 of the year in which said election occurs. Monthly assessments shall be levied against all Units subject to assessment during said period as provided in Section 6.01 hereof.

d) The failure or delay of the Board to prepare or serve the annual or adjusted-estimate on any Owner shall not constitute a waiver or release in any manner of such Owner's obligation to pay the maintenance costs and necessary reserves, as herein provided, whenever the same shall be determined, and in the absence of any annual estimate or adjusted estimate, the Owner shall continue to pay his monthly installment at the then existing rate established for the previous period until the monthly installment which is due more than ten (10) days after such new annual or adjusted estimate shall have been mailed or delivered.

#### 6.04 Special Assessments for Capital Improvements.

In addition to the annual assessments authorized above, the Board may levy special assessments for the purpose of defraying, in whole or in part, the cost of constructing or purchasing a specified capital improvement upon or to the Common Area, and for the necessary fixtures and personal property related thereto, provided that, unless otherwise provided in the By-laws, any such assessments which in one year exceed \$1,000.00 shall first be approved by a majority of the Board and thereafter by a majority of the votes cast by members at a general or special meeting duly called for that purpose or, in lieu of such member's meeting, by an instrument signed by the members owning two-thirds (2/3) of the Units. Special assessments levied hereunder shall be due and payable at such time or times and in such manner as shall be fixed by the Board, or, where applicable, as approved by the members and shall be used only for the specific purpose for which such assessment was levied.

D98823A2.BF

6.05 Capital Reserves. To the extent the annual budget includes an amount specifically designated as a capital reserve, each Owner shall, as to each installment of the annual assessment paid by him, be deemed to have made a non-refundable capital contribution to the Association in the proportion that the amount of such designated capital reserve bears to the total annual budget. Such proportion of each annual assessment installment paid to the Association shall be segregated and maintained by it in a special capital reserve account to be used solely for making major repairs and replacements to the Common Area, to those portions of the Units and the improvements thereon which the Association is obligated to repair and replace in accordance with the provisions of this Declaration, and for the purchase of equipment to be used by the Association in connection with its duties hereunder.

6.06 Initial Capital Contribution. At each closing of the sale of a Unit by the Declarant after the recording of this Declaration, the Owner purchasing such Unit will be required to make a capital contribution to the Association in an amount equal to twice the monthly installment of the annual assessment for such Unit then in effect. Such payment shall be held and used by the Association as a working capital reserve.

6.07 Notice and Quorum. Written notice of any meeting called for the purpose of authorizing special assessments which require approval of the members shall be sent to all members not less than fifteen (15) days nor more than sixty (60) days in advance of such meeting. At the first such meeting called, the presence of voting members, in person or by proxy, having sixty percent (60%) of the votes entitled to be cast shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

6.08 Uniform Assessments. Both annual and special assessments must be fixed as a uniform rate for all Units, provided that no Unit owned by the Declarant shall be subject to assessment unless the dwelling thereon is completed and is occupied.

6.09 Commencement of Annual Assessments. Annual assessments shall commence upon conveyance of the first Unit by Declarant after the recording of this Declaration.

6.10 Assessments Prior to Turnover. Notwithstanding the foregoing, the monthly assessment for each Unit subject to assessment hereunder shall be established by the Developer. Notwithstanding the foregoing, the Developer shall not increase the assessments by more than

D98823A2.BF

ten percent (10%) per annum while it is in control of the Association without the agreement of two-thirds (2/3) of the Owners of closed units. In lieu of paying monthly assessments on unsold units, the Developer shall pay to the Association only the amount, if any, by which actual operating expenses exceed the aggregate of the assessments established and received from Owners (excluding declarant) pursuant to this paragraph. Actual operating expenses means those expenses actually incurred that are reasonably necessary to normal maintenance and operation of the Common Area and of those portions of the Units and the improvements thereon which the Association is to provide pursuant to Section 5.01(b), and does not include capital expenditures, reserves, prepaid items, inventory items or similar expenses to the extent attributable to any subsequent period. Except as set forth herein, the developer shall have no obligation to pay assessments for unsold or unoccupied units. The Developer must pay the assessment for any unit which it retains ownership but completes and rents.

6.11 Collection of Assessments. Any installment of an assessment which is not paid when due shall be delinquent. If said installment is not paid within thirty (30) days after the due date, the Board may, upon notice to such Owner of such delinquency, accelerate the maturity of all remaining installments due with respect to the current assessment year, and the total amount shall become immediately due and payable and commence to bear interest from the date of acceleration at the rate of eighteen (18%) percent per annum. The Association may bring an action against the Owner personally obligated to pay assessments and recover the same, including interest, costs and reasonable attorneys' fees for any such action, which shall be added to the amount of such assessment and included in any judgment rendered in any such action, which shall be added to the amount of such assessment and included in any judgment rendered in any such action. To the extent permitted by any decision or any statute or law now or hereafter effective, the amount of any delinquent and unpaid charges or assessments, and any such accelerated installments, together with interest, costs and attorneys' fees as above provided, shall be and become a lien or charge against the delinquent Owner's Unit when payable and may be foreclosed by any action brought in the name of the Association.

6.12 No Waiver of Liability. No Owner may waive or otherwise escape liability for assessments provided for herein by any act or omission including without limitation non-use of the services provided by the Association, the Common Area or abandonment of his Unit.

6.13 Subordination of the Lien or Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage placed at any time on a Unit by a bona fide lender. Each holder of a first mortgage on a Unit who obtains title, or comes into possession of that Unit pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, or by deed (or assignment) in lieu of foreclosure, or any purchaser at a foreclosure .

sale, will take the Unit free of any claims for unpaid assessments or charges which have accrued prior to such acquisition of title or possession.

**ARTICLE 7  
RIGHTS OF FIRST MORTGAGEES**

In addition to all other rights of first mortgagees pursuant to this Declaration, and notwithstanding any other provisions herein to the contrary:

7.01 Right of Approval. Unless at least 75% of the first mortgagees (based upon one vote for each Unit encumbered by a mortgage) of individual Units ("First Mortgagees") have given their prior written approval, the Association shall not:

a) By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer any real estate or improvements thereon which are owned, directly or indirectly, by the Association for the benefit of the Units and the Owners. (The granting of easements for public utilities or for other purposes consistent with the intended use of such property by the Association shall not, for purposes of the foregoing, be deemed to be a transfer.)

b) Change the method of determining the obligations, assessments, dues or other charges which may be levied against a Unit and the Owner thereof as provided in Article 6, subject, however, to the provisions in Section 2.03 hereof. (c) By act or omission waive, abandon or materially change any scheme or regulations or enforcement thereof pertaining to the architectural design or the exterior appearance of any dwelling or garage on a Unit, the exterior maintenance of any such dwelling or garage, the maintenance of party walls or common fences and driveways, or the upkeep of laws and planting on the Property.

7.02 Examination of Books and Records. First Mortgagees shall have the right to examine the books and records of the Association at reasonable times during normal business hours.

7.03 Option to Pay Taxes, Insurance Premiums. First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common Area and First

D98823A2.BF

Mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

7.04 Notice of Default. Any First Mortgagee, at its written request, shall be entitled to written notice from the Board of any default by an Owner in the performance of such Owner's obligations hereunder or under the By-laws or rules and regulations of the Association which has not been cured within thirty (30) days.

7.05 Amendment. This Article 7 may be amended only with the written consent of 75% of the First Mortgagees (based upon one vote for each Unit encumbered by a mortgage).

**ARTICLE 8**  
**COVENANTS AND RESTRICTIONS AS TO USE AND OCCUPANCY**

The Units and Common Area shall be occupied and used only as follows:

8.01 Residential Use. No part of the Property shall be used for purposes other than housing, parking and related common purposes for which the Property was designed. Each dwelling shall be used as a residence for a single family and for no other purposes, subject to such reasonable rules and regulation as may be adopted by the Board.

8.02 Parking. The outdoor parking areas shall be used for the parking of passenger automobiles, subject to such rules and regulations as the Board may prescribe. No boats, trailers, trucks, motorcycles, motor scooters or other vehicles or property of any kind shall be parked or stored thereon unless permitted by such rules and regulations. Every Owner, occupant and other person shall be responsible for his personal property located or kept in the outdoor parking areas. Neither the Board nor the Association shall be considered the bailee of any such personal property nor shall either be responsible for any loss or damage thereto, whether or not due to the negligence of the Board and/or the Association.

8.03 Obstructions. There shall be no obstruction of the Common Area, nor shall ready access to any Unit be obstructed or impeded in any manner.

8.04 Waste. No Owner shall permit anything to be done or kept on his Unit or in the Common Area which will increase the rate charged for or cause the cancellation of insurance carried by the Association on the Common Area improvements or contents thereof, or which would be in violation of any law, nor shall any waste be committed on any Unit or in the Common Area.

D98823A2.BF

8.05 Window Accessories. The covering of windows and other glass surfaces, whether by shades, draperies or other items visible from the exterior of any dwelling, including canopies or awnings and antenna, shall be subject to the rules and regulations of the Board.

8.06 Animals. No animals of any kind shall be raised, bred or kept on any Unit or Common Area, except that dogs, cats, or other customary household pets may be kept subject to rules and regulations adopted by the Board, provided they are not kept, bred or maintained for any commercial purposes; and provided, further, that any pet causing or creating a nuisance or unreasonable disturbance shall be permanently removed from the Property upon ten (10) days' written notice from the Board.

8.07 Noxious Activities. No noxious or offensive activity shall be conducted on any Unit or in the Common Area nor shall anything be done therein or thereon, either willfully or negligently, which may be or become an annoyance or a nuisance to other Owners or occupants.

8.08 Conduct of Business. No industry, business, trade, occupation or profession of any kind, commercial, religious, education or otherwise, designated for profit, altruism, exploration or otherwise, shall be conducted, maintained or permitted on any Unit or Common Area; provided, however, that nothing herein shall preclude an Owner from (i) maintaining a personal professional library on his Unit (ii) keeping his personal business records or accounts on his Unit or (iii) handling his personal business or professional calls or correspondence therefrom.

8.09 Signs. No signs (including without limitation "For Sale" or "For Rent" signs), advertising or other displays shall be maintained or permitted on any part of the Property, except at such location and in such form as the Board may, in its sole discretion, approve. Notwithstanding the foregoing, the right is reserved by Developer or its agents to place and maintain on the Common Area or any Unit it owns, as long as Developer is engaged in sales or leasing activities in connection with the Property or any portion of the Additional Property (whether or not added to the Property), sales models, a sales or leasing office, advertising signs or banners and lighting in connection therewith, at such locations and in such forms as the Developer shall determine. Declarant hereby grants to Developer, its agents and prospective purchasers and lessees, the right of ingress and egress in and through the Common Area and Access Area, for or incident to such sales or leasing purposes and, during construction by the Developer, the right of ingress and egress in and through the Common Area in connection with such construction. The provisions of this paragraph shall inure to the benefit of any assignee of Developer.

D98823A2.BF

8.10 Alterations. Except as constructed or altered by or with the permission of the Developer, nothing shall be altered or constructed in or removed from the Common Area except upon the written consent of the Board.

## **ARTICLE 9 PARTY WALLS**

9.01 Applicable Law. Each wall which is built as a part of the original construction of the dwellings upon the Property and placed on the dividing line between the Units and/or serves two or more dwellings shall constitute a party wall and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and of liability for property damage due to negligence or willful acts or omissions shall apply thereto.

9.02 Cost of Repair, Maintenance and Replacement. The cost of reasonable repair, maintenance and replacement of a party wall shall be shared equally by the Owners who make use of the wall, except that the entire cost of repairing damage caused by the negligence or willful act or omission of one Owner shall be paid for by such Owner.

9.03 Damage or Destruction. If a party wall is destroyed or damaged by fire or other casualty any Owner whose Unit is served by such wall may restore it, and the other Owners who shared the use of such wall shall promptly contribute to the cost of restoration thereof equally without prejudice, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

9.04 Exposure to Elements. Notwithstanding any other provisions of this Article, an Owner who by negligence or willful act causes a party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

9.05 Right of Contribution. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

**ARTICLE 10**  
**ARCHITECTURAL CONTROL**

10.01 General Review and Approval. No building, fence, wall, deck, porch, antenna, awning or other structure shall be commenced, erected or maintained upon the Property or upon any Unit, dwelling or other improvement thereon, nor shall any exterior addition to or change or alteration therein be made, except such as are erected or approved by the Developer, until written plans and specifications showing the nature, kind, shape, height, materials, color scheme and location of the same and the approximate cost thereof shall have been submitted to and approved in writing by the Board or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event the Board or its designated committee fail to approve or disapprove such design and location within ninety (90) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

10.02 Television Antenna. Notwithstanding the provisions of the Section immediately preceding, no outdoor television antenna shall be affixed to or placed upon the exterior walls or roof of any dwelling or other improvement on a Unit or upon any other portion of a Unit, or on any portion of the Common Area, without the prior written consent of the Board and the Developer; provided that an outdoor television antenna and other components of a community antenna television service system may be affixed to or placed upon any Unit or improvement thereon and upon the Common Area only with the written consent of the Developer and no Board or other consent shall be required or be effective.

10.03 Fences. Notwithstanding the foregoing, any fence installed upon the Property shall comply with all provisions of applicable law.

**ARTICLE 11**  
**LEASE OF UNITS**

Any lease agreement between an Owner and a Lessee shall be in writing and be for a period of not less than one year for a minimum of one year and shall provide that the terms of such lease are subject to, and such lessee shall comply with, the provisions of this Declaration and the Articles of Incorporation, By-laws and rules and regulations of the Association and that failure by the lessee to comply with the terms of such documents, rules and regulations shall be a default under said lease. Other than the foregoing, there is no restriction on the right of any Owner, including Declarant, to lease any Unit it owns.

**ARTICLE 12**  
**GENERAL PROVISIONS**

12.01 Management and other Contracts. The Developer hereby reserves the right, from time to time, for and on behalf of the Association, to engage a manager for the Association and its property during all or any portion of the period Developer has the right to appoint directors to the Board. Thereafter, the Board may engage the services of an agent to manage the Property to the extent deemed advisable by the Board. Any management agreement shall be terminable by either party for cause upon thirty (30) days written notice, and the term of any such agreement may not exceed one year, renewable by agreement of the parties for successive one year periods. Any other contract providing for services by the Developer must provide for termination on ninety (90) days written notice and be for a maximum contract term of three years.

12.02 Enforcement. In addition to all other rights herein granted to the Association, the Association may enforce the provisions of this Declaration and the Articles of Incorporation, By-laws and rules and regulations of the Association by any proceeding at law or in equity against any person or persons violating or attempting to violate any such provisions. All rights and remedies may be exercised at any time and from time to time, cumulatively, or otherwise, and failure of the Association to enforce any such provisions shall in no way be deemed a waiver of the right to do so thereafter. All expenses incurred by the Association in connection with any such proceedings, including court costs and attorneys' fees, together with interest thereon at 18% per annum, shall be charged to and assessed against any Owner violating any such provisions and shall be added to and deemed a part of his assessment and constitute a lien on his Unit and be enforceable as provided in Article 6.

12.03 Severability. If any term, restriction or covenant of this instrument is deemed illegal or unenforceable, all other terms, restrictions or covenants and the application thereof shall remain unaffected to the extent permitted by law.

12.04 Title in Land Trust. In the event title to any Unit is conveyed to a title-holding trust, under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiary or beneficiaries thereunder from time to time shall be responsible for payment of all obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title-holding trustee personally for payment of any lien or obligation hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part

D98823A2.BF

against such lien or obligation. The amount of such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust notwithstanding any transfers of the beneficial interest of any such trust or any transfers of title to such Unit.

12.05 Amendment. Except as provided herein, the provisions of this Declaration may be amended by an instrument executed by Owners of not less than seventy-five (75%) of the Units then subject to the provisions of this Declaration except that: (i) prior to September 1, 2000, no amendment shall be effective without the written consent of Developer; and (ii) no provision which affects or relates to the rights, privileges or interest of the Declarant or Developer may be amended without their respective written consents. Notwithstanding the foregoing, Developer reserves the right from time to time as long as Declarant owns a Unit subject to the terms hereof, to amend this Declaration in such manner as may be necessary to correct clerical errors in this Declaration or as may be required by the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Government National Mortgage Association, the Department of Housing and Urban Development, the Federal Housing Administration, the Veteran's Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such organizations, or any institutional lender issuing a commitment to make first mortgage loans covering twenty percent (20%) or more of the Units located in the Existing Property or any portion of the Additional Property; provided that no such amendment by Developer shall reduce the rights of any mortgagee with respect to any first mortgage on a Unit recorded prior to such amendment, without such first mortgagee's written consent. Further, notwithstanding the foregoing, until Developer ceases to have the right to appoint one or more members of the Board, Developer shall have the right to modify or amend this Declaration so long as such modifications and amendments shall not materially impair the rights of Owners. If furtherance of the foregoing reservation by Developer, a power coupled with an interest is hereby granted to the Declarant and the Developer, and each of them singly, as attorney-in-fact, to so amend this Declaration and each deed, mortgage or other instrument with respect to a Unit and the acceptance thereof shall be deemed a grant and acknowledgment of and consent to such power to each of said attorneys-in-fact and shall be deemed to reserve to each of them the power to execute and record such amendments. No amendment shall be effective until recorded in the Office of the Recorder of Deeds of Will County, Illinois.

12.06 Notices. Any notice required or desired to be given under the provisions of this Declaration to any Owner shall be deemed to have been properly delivered when deposited in the United States mail, postage prepaid, directed to the person who appears as the Owner at his last known address, as shown in the records of the Association at the time of such mailing.

R1999141467

D98823A2.BF

12.07 Binding Effect. The easements created by this Declaration shall be of perpetual duration. The covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association or the Owner of any Unit subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date this Declaration is recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by the Owners of not less than seventy-five (75%) percent of the Units has been recorded, agreeing to amend said covenants and restrictions in whole or in part.

12.08 Successors and Predecessors of Declarant or Developer. No party exercising rights as Declarant or Developer hereunder shall have or incur any liability for the acts of any other party which previously exercised or subsequently shall exercise such rights.

12.09 Successors and Assigns. This Declaration shall inure to the benefit of and be binding upon the successors and permitted assigns of Declarant, Developer and all persons which may have or hereafter obtain any interest in the Existing Property or the Additional Property.

D98823A2.BF

12.10 Trustee Exculpation. It is expressly understood and agreed, anything herein to the contrary notwithstanding, that each and all of the representations, covenants, undertakings and agreements of said Declarant are nevertheless, each and every one of them, made and intended not as personal representations, covenants, undertakings and agreements by the Declarant or for the purpose or with the intention of binding said Declarant personally, but are made and intended for the purpose of binding only that portion of the trust property specifically described herein, and this instrument is executed and delivered by said Declarant not in its own right, but solely in the exercise of the powers conferred upon it as Trustee, as aforesaid, and that no personal liability or personal responsibility is assumed by nor shall at any time be asserted or enforceable against State Bank of Countryside or any of the beneficiaries under the Trust Agreement, on account of this instrument or on account of any representation, covenant, undertaking or agreement of said Declarant in this instrument contained, either expressed or implied, all such personal liability, if any, being expressly waived and released. It is understood and agreed by the parties hereto, anything to the contrary notwithstanding, that the Declarant will act only on the direction of the beneficiaries.

Signed as of the day and year first above written.
